PROUD INSPECTION: C. Elliott Knoke, adviser, and William Lycan, 11, in center, and James Waterman, 12, members, look over exhibit prepared by Pingry School Coin Club for display in Italy and Spain.

U.S. Asks Pingry Coin Club To Exhibit in World Fairs

The U. S. Department of Commerce has invited the Pingry School Coin Club to prepare coin exhibits for display at the International Trade Fairs in Milan, Italy, April 12 to 27 and in Barcelona, Spain, June 1 to 20.

The club was chosen on the basis of its ranking as the outstanding Junior Coin Club in the United States and on recommendation of the Chase National Bank. Arrangements were made with C. Elliott Knoke, adviser, by a Department of Commerce representative who visited the school and viewed the boys' work.

Twelve students have been selected to prepare exhibits representing different countries. Framed under glass, the coins are arranged in conjunction with maps, flags, pictures and other illustrative material as well as geographical data on each coun-

try. A plastic cabinet to hold the display is being made by a major American designer.

Coins to be included are from ancient and modern Greece, Switzerland, Great Britain, Thailand, Italy, Mexico, Spain, Germany, New Zealand, France, Sweden and the United States.

The 12 participants are: Craig McKenzie, John Nebel and Edward Prevost of Elizabeth; David Whitlock of Hillside; William Lycan of Westfield, John Meyer and Bruce Petrie of Summit, David Stover of Colohia, David Houston of Short Hills, Pantelis Yatrakis of South Orange and James Waterman of Morristown.

American is represented in about a dozen international trade fairs each year, showing phases of life here as well as encouraging trade. The theme of the Milan fair, whose exhibits will be repeated at Barcelona, is productivity and its benefits to children. To show the cultural and recreational activities provided for young people, displays will include such hobbies as collections of stamps, coins, minerals and shells.

Dear Mr. Mershon:

National Coin Week is less than a month away and the boys of The Pingry School Coin Club are busily preparing their exhibits which will be displayed at the School and at prominent locations in banks and stores in Elizabeth. Last year the boys again won First Prize among "C" Clubs in the A.N.A., the sixth time in as many years.

The enclosed clipping shows one of the Coin Club's recent activities. We feel honored that the U.S. Government asked us to exhibit coins at two International World Trade Fairs.

Our National Coin Week exhibits will again be in three classes - Ancient, Modern and American Coins and three prizes will be awarded in each class. Would you care to help us out again with some of the prizes, either coins or books? These boys are the numismatists of tomorrow and their interest in coins must be supported and stimulated. Anything that you care to do will be gratefully appreciated by the boys and myself.

Sincerely yours,

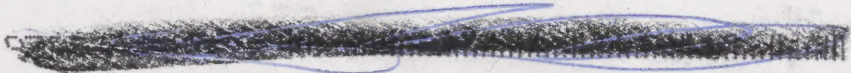

C. Elliott Knoke
Adviser, Pingry Coin Club

Dear Harry:

I just uncovered your notice of the April 18th meeting and am enclosing check for my dues. Because I am late, I am including enough for 1984.

I have gone through the March 16th Coin World several times but cannot find the account of the 500th meeting. I would appreciate a more specific reference--maybe my old eyes aren't so good these days!

Best regards,

Enclosure

Mr. Hartey,

I would appreciate information regarding the New Jersey Numismatic Society. I am thirty five years old and have been collecting since I was about twelve years old. I'd like to know about your society, what you do, etc., and your membership requirements.

Thank You for your time.

DEAR HAROLD;

I would be interested in knowing more about the NJNS. I AM 46 YEARS old But I just started serious collecting about A YEAR AGO.

I ENJOY this Hobby & HAVE MOSTLY U.S. COINS FROM CENTS TO MORGANS. I think it would be interesting to be able to talk to other collectors.

Sincerely
Hank Lipp

New Jersey Numismatic Society,

Hello! My name is Bernard Karash and I am a numismatist as well as a part time dealer in numismatist items and antiques. (Mem. ANA, ANS).

I read about your society in the Jan 1st issue of Coin world and decided to write for more information. I am located in the suburban Philadelphia, PA area, I hope your membership is not restricted to N.J. residents.

- 1) How would I go about joining the N.J.N.S. What are dues / membership fees.
- 2) Where do you meet at?, and how often.
- 3) Does the Society sponsor a show.
- 4) Is a membership directory available.

That's all the questions I have for now. I thank you for your time.

Bernard Karash

Dear Sir or Madam,

I am interested in joining the N.J. Numismatic Society. Could you please forward information on the Society to me and a membership application.

Thank you
